

# "Your Future Crafted with Us"

Legend :  Raw Material A  
 Raw Material B  
 Organic Solvent

Let's green your chemical reactions by eliminating organic solvents and pioneer new materials with us.

Three teal circular icons with starburst callouts:

-  **-96%\*1**  
Less CO2
-  **-93%\*1**  
Less Waste
-  **-30~40%\*1**  
Low Production Cost

Two teal circular icons with starburst callouts:

-  **24hrs → 1min\*1**  
Speedy Reaction
-  **0 → 1**  
New Material

\*1 The conventional method results 60% reaction/24hrs, our methodology results almost 100%/5 min at Cross Coupling
